Instructions. You receive two points for a correct answer. You lose a point for an incorrect answer. Blank responses lose no points. Please write the letter of your answer on the provided line of the answer sheet. You may write elsewhere on the exam, but the official answer must go on the answer sheet. Figures are contained in the separate resource packet. Diacritic marks such as accents have been omitted from place names and other proper nouns. You have **one hour** to complete both the written exam *and* this portion of the multiple choice exam.
