OFFICIAL STATEMENT BY INTERNATIONAL ACADEMIC COMPETITIONS:

International Academic Competitions has determined that in the Junior Varsity Upper Bracket rounds of the 2021 National History Bowl National Championships, there were numerous and flagrant violations of the tournament rules committed by the Biotechnology High School team. Biotechnology High School is hereby disqualified from the tournament. The Directors of the tournament have made this decision in accordance with the National History Bowl Official Rules, which are listed on pages 3 and 4 of the rules at [this link](#) (available under the Resources > Official Rules tab at [www.historybowl.com](#)). The Biotechnology team was given a warning in Round 6 and continued to violate the rules thereafter. After reviewing incontrovertible audio and visual evidence collected by tournament officials throughout the duration of Round 7 and 8, this decision was unanimously made among the directors.

For purposes of this tournament, all Biotechnology results are forfeited, though the standings computed for Upper Bracket determination at the end of Round 5 will hold, as the violations that resulted in the disqualification occurred after that portion of the tournament had concluded. Biotechnology had, prior to being disqualified, been ranked as the 8th, and final, playoff seed for tomorrow. After Biotechnology's Upper Bracket opponents were given wins and the average points of their other Upper Bracket matches, the team that would otherwise have been in 9th place in the Junior Varsity Upper Bracket rounds, Shaker High School (JV), is now elevated to 8th place and will compete in the Sunday Playoff rounds.

Further sanctions on the Biotechnology team and/or its individual players may follow at a later date. This decision is final and is not subject to appeal.
